

VINE HILL™

Rooted in History with A Vision of Perfection

Vine Hill produces limited production Pinot Noir, Chardonnay and Syrah wines from the Santa Cruz Mountains, as well as other carefully selected Northern California wine appellations. Sourced from exceptional vineyards owned and managed by dedicated growing partners who meticulously tend to their vines year round, Vine Hill wines are harvested from some of the highest quality wine grapes grown. With deep roots in the viticultural history of winemaking in the Santa Cruz Mountains, Vine Hill wines are crafted by winemaker Sal Godinez with a clear vision of consistency and perfection showcased in every bottle made.

CURRENT RELEASES

2007 VINE HILL PINOT NOIR — Santa Cruz Mountains

The 2007 Vine Hill Santa Cruz Mountains Pinot Noir shows bright aromas of raspberries and mandarin orange peel. Silky tannins and luscious flavors of nutmeg and ginger are accented by dark cocoa and vanilla. This wine is everything lovers of bright, spicy Pinots will appreciate. The solid fruit core is interlaced red berries, baking spices, and the terroir driven white pepper spice.

Released June 27, 2009 • Suggested Retail Price: \$30 (750ml)

2008 VINE HILL CHARDONNAY — Santa Cruz Mountains

The 2008 Vine Hill Santa Cruz Mountains Chardonnay exhibits a nice minerality and firmness, showing a wide range of flavors — with tangy, tart grapefruit upfront, then finishing with soft, ripe banana. This elegant wine displays a soft vanilla creaminess with a round, full mouthfeel — a result of fermenting and aging in primarily older French oak barrels. Partial malolactic fermentation preserves the natural acidity in the wine, making it refreshing and a delight to the palate. Enjoy with a wide range of seafood, from salmon to halibut and oysters to cracked crab.

Released October 1, 2009 • Suggested Retail Price: \$27 (750ml)

2008 VINE HILL CHARDONNAY — Clements Ridge Vineyard — California

The 2008 Vine Hill Clements Ridge Chardonnay exhibits a wide range of flavors, including an intriguing blend of green apple and passion fruit. It shows a hint of vanilla and butter, integrated into the wine during barrel fermentation. The resulting sum of these delightful flavors linger long after the wine is consumed. Excellent acid and flinty minerality make it a pleasure to drink on a warm summer's day.

Released June 27, 2009 • Suggested Retail Price: \$20 (750ml)
